# Sponsorship Opportunity: EDUCATION PARTNERSHIPS

Partnering with Nonprofits First sends a strong message that your business supports the nonprofit sector. Our Vision is a community where nonprofit organizations achieve their highest level of desired impact, and Our Mission is empowering nonprofit excellence. Connect with our community and join our mission by becoming our partner in offering an educational workshop or class or supporting a focus area.

## Why Support Nonprofits First?

In an era of growing needs and shrinking resources, nonprofits are being asked to do even more with less, placing additional strain on their already limited resources. Since 2005, Nonprofits First has provided hands-on assistance, tools, and experts needed for nonprofit organizations to be successful. Nonprofits First empowers leaders, staff, and volunteers through programs that teach nonprofit management practices and inspire excellence. Surveys show that over 95% of our program attendees report the highest level of satisfaction after program completion. Please partner with us to support the nonprofit community, today!
